STIPULATION CONTINUING THE WITHDRAWAL OF APPEALS FROM ACTIVE  
CONSIDERATION, WITHOUT PREJUDICE, WITH LEAVE TO REACTIVATE

WHEREAS, the parties in the above-captioned appeals (the "Foreign Currency Appeals") previously stipulated that the Foreign Currency Appeals be withdrawn from active consideration, without prejudice, and without costs or attorneys' fees, subject to reactivation of any of the Foreign Currency Appeals by counsel for any appellant or petitioner by written notice to the Clerk of this Court and to the undersigned counsel by October 27, 2006; and

WHEREAS, the parties' prior stipulation was entered by this Court on May 5, 2006; and

WHEREAS, the parties have reached a written settlement agreement to resolve the claims asserted in the underlying litigation on a classwide basis, and the plaintiffs filed a motion for the preliminary approval of that settlement by the district court on August 15, 2006; and

WHEREAS, the process of obtaining approval of the settlement and implementing the settlement may take a year or more, due to, *inter alia*, the process of identifying, and providing notice to, numerous class members;

THEREFORE, the parties to the Foreign Currency Appeals further stipulate as follows, and respectfully request that the Court enter this stipulation.

1. The parties stipulate that each of the above-captioned related appeals continue to be withdrawn from active consideration, **without prejudice**. This stipulation is without prejudice to the parties' ability to submit a revised stipulation, on or prior to October 31, 2007, seeking an extension of the period that these appeals be withdrawn from active consideration with leave to reactivate.
2. If not timely reactivated by October 31, 2007, and no extension of the period that these appeals be withdrawn from active consideration is timely sought, the appeals shall be withdrawn (See Hertzner v. Henderson, 292 F.3d 302 (2d Cir. 2002)).
3. Withdrawal of the appeals from active consideration shall not operate as a dismissal of the appeals under F.R.A.P. 42(b).
